

Washington gets a failing grade in creating college graduates.

SOURCE: The U.S. National Center for Education Statistics and U.S. Census Bureau / Council of Presidents in Washington.

For years, our state universities have experienced chronic disinvestment by state government. Washington now ranks in the bottom third in granting degrees. We need to protect funding for higher education, as it is critical for our state to thrive in the 21st century economy. With your support, we can turn this around for the greater good.
